

Dear CTSC friends,

I'd like to introduce you to Coldbrook Travel Soccer Club (CTSC). We are a non-profit 501(c)(3) club located in Hampden that provides the opportunity for children ages 7-14 to learn and develop soccer skills through organized team play as well as a weekly summer soccer camp. We support approximately 14 teams and over 190 players that play weekly soccer games and tournaments during the fall season. We are a club comprised of volunteers; from our board to the coaches, we support the club because of our love of the game and passion for developing children in our communities. We rely on our player registration monies and summer camp proceeds to help pay for any field upkeep, game and tournament associated costs we incur.

As we move into our 19th year, we have begun to evaluate infrastructure needs for the club. We are currently in need of items such as portable benches for players to use at home and away games, new goal posts and nets, and field related equipment such as flags and field paint and liners. In order to continue to be a competitive club, we are seeking sponsors to help us in obtaining these needed items.

We also would like to start a scholarship fund. While the ask for equipment is a pressing need, we also would like to start a scholarship fund for tuition to our Summer Camp as well as for deserving high school male and female Seniors in Hampden and Hermon, since the club serves both communities. Our hope is for four Senior scholarships a year.

As a sponsor, you can make an immediate difference in the life of a child. Not only are you helping us to continue to deliver a quality soccer program to our youth, but also ensuring our club can continue to expand to accommodate the growth we are experiencing. CTSC offers a variety of sponsorship opportunities for the individual and business to make donations.

Please review the information and the opportunities that CTSC can offer. If you have any questions about CTSC or any of our programs, please contact me. With your help we can positively impact our community and provide better opportunities for children. Thank you for your support of our club!

Sincerely,

Nichole Kelley-Sirois
President, Coldbrook Travel Soccer Club
